LEADERSHIP & ACTIVITY

Acoustics in the US : Created a website with interviews of professionals in acoustics to show my motivation to get an internship. Discovered the acoustics landscape in the USA and used self-taught web technologies (Wordpress, Hangouts, MailChimp, Kickstarter). <http://acoustics-in-the-us.com/>

School clubs :

- *JENSIM (school-sized company ruled for and by students)* : Head of Quality and Communication. Creation of metrics and indicators. Facebook page management and event planning.
- *Bureau des Élèves (French equivalent to Student Union)* : Head of Communication.
- *Les Cordées de la Réussite (Movement aiming at arousing the interest for higher education among high school students, thanks to the establishment of deep relationships with engineering students)* : Mentor to an 12th-grader.

Self-published Author of an e-book sold on Amazon about my former blog « Vive les Prépas ! ».

Drummer for 11 years, in a group currently, published a music video on YouTube (2,000+ views).
